

ST. LAWRENCE FLUORSPAR PROJECT

Pipe Welder

Canada Fluorspar (NL) Inc. is seeking a highly motivated and team-oriented individual to join its team as a Pipe Welder.

This position is temporary in nature and the duration is undetermined at this time. This is a hands-on, physical role and its primary focus is to support several planned construction activities at the AGS Project. We are looking for a candidate who is skilled in the craft of welding and able to provide necessary support in all areas of mill construction and able to utilize all equipment, structures, tools, prints and drawings and necessary safety equipment that are used by welders.

DUTIES / RESPONSIBILITIES

- Performs welds and cutting on various types of pipe
- Receives instructions, prints and work orders for a job
- Interprets drawings and sketches, plans details of working procedure, tools and material requirements
- Cleans and prepares surfaces to be welded as required
- Perform miscellaneous labour activities as required

EDUCATION / EXPERIENCE / SKILL

- Must possess a valid Interprovincial trade qualification certificate as a welder
- Minimum of two (2) years experience as a pipe welder
- Demonstrated ability to follow written and verbal instructions to complete assigned tasks in an independent and efficient manner
- Must be able to lift 10 lbs with each hand and up to 50 lbs with both hands
- Self-motivated and able to work with minimal supervision

To apply, please forward a cover letter and resume by 5:00 P.M. on **April 13, 2017** to:

POSTING #2017-024 – PIPE WELDER
