

ST. LAWRENCE FLUORSPAR PROJECT

Haul Truck Operator

Canada Fluorspar (NL) Inc. are looking for experienced and motivated **Haul Truck Operator(s)** to join its mine operations team. This position is temporary in nature but may lead to longer term opportunities depending on personal performance and operational requirements.

The successful candidate(s) will be expected to work on a 7 day on / 7 day off rotating (days/nights) work schedule, 12-hour shift.

DUTIES / RESPONSIBILITIES

- Effectively operate a 35 to 70-ton haul truck to maximize the moving of mining material from designated work areas
- Utilizing equipment in a manner to maximize productivity and minimize wear and down time
- Performing a daily walk-around equipment inspection and filling out inspection form pre- and post-shift
- Monitoring equipment operation and reporting any deficiencies per standard operating procedures (SOPs)
- Perform miscellaneous labour activities and assist mine operations team as required

EDUCATION / EXPERIENCE / SKILL

- A minimum of 1000 hours operating an articulated or rigid frame haul truck in a mining environment
- Must be able to satisfactorily complete the company's training program designed to acquaint operators on safe and efficient operation of haulage equipment such as the Komatsu HD605-7 Truck
- Demonstrated ability to follow written and verbal instructions to complete assigned tasks in an independent and efficient manner
- To be successfully considered for this role you must complete all pre-access requirements, including pre-access drug and alcohol screening.

To apply, please forward a cover letter and resume by 5:00 P.M. on **March 16, 2018** to:
