

ST. LAWRENCE FLUORSPAR PROJECT

PIPEFITTER

Canada Fluorspar (NL) Inc has an immediate opening for a pipefitter journeyperson to join its construction team. This is a hands-on, physical role and its primary focus will be to support several planned construction activities over the next two (2) to four (4) weeks. **The successful candidate will be expected to work on a 5 days on / 2 day off work rotation, 10-hour shift.**

Key Job Responsibilities:

- Layout, assemble, fabricate, maintain and repair piping systems
- Cut openings for pipe in walls, floors and ceilings using hand or power tools or machines
- Install fabricated pipe spools, supports, valves, piping and control systems
- Use testing equipment to effectively check for system leaks and troubleshoot fitting errors
- Join pipe sections, related equipment and secure in position
- Performing a variety of miscellaneous duties and assignments as directed by supervisor

Skill & Experience:

- Must be a Ticketed Journeyperson with a recognized training authority
- Able to read and understand blue prints / P&ID's / piping specifications and QA / QC requirements
- Must be able to work from heights and possess a valid Fall Protection Certificate
- Must successfully complete all pre-access requirements, including pre-access drug and alcohol screening

To apply, please forward a cover letter and resume by 12:00 P.M. on **July 12, 2018** to:
