

ST. LAWRENCE FLUORSPAR PROJECT

Mill Helper

The Mill Helper position is temporary in nature and the duration is undetermined at this time. This is a hands-on, physical role and its primary focus is to support Plant Operations. We are looking for a candidate who brings heavy industrial experience and is willing and able to work as part of a small work team. **The shift rotation schedule will be seven (7) days/night working with seven (7) days rest, twelve (12) hours per day.**

DUTIES / RESPONSIBILITIES

- Clean and maintain work area to meet or exceed company's housekeeping standards
- Work with small tools and equipment and load and unload materials, and move materials to work area
- Keeps conveyor belts and areas between rollers, pulleys, and catwalks clear of mud, dirt, rock, and debris
- Ensure strict safety procedures and safety checks are followed and report any potential operational or safety problem to supervisor
- Perform miscellaneous labour activities and assist section operators as required

EDUCATION / EXPERIENCE / SKILL

- High school diploma or equivalent
- Previous experience working on a construction site required
- Demonstrated ability to follow written and verbal instructions to complete assigned tasks in an independent and efficient manner
- Ability to work in all weather conditions / environments: rain, wind, heat, muddy, dusty, uneven-rocky terrain
- Must be able to lift 10lbs with each hand and up to 50lbs with both hands
- Self-motivated and able to work with minimal supervision
- Must successfully complete all pre-access requirements, including pre-access drug and alcohol screening

To apply, please forward a cover letter and resume by 5:00 P.M. on **November 2, 2018** to:
