

ST. LAWRENCE FLUORSPAR PROJECT

Crusher Helper

The Crusher Helper position is temporary in nature and the duration is undetermined at this time. This is a hands-on, physical role and its primary focus is in cleaning and servicing the rock crusher, the areas around the crusher, screens, conveyors, etc. to minimize downtime due to blockage on equipment by dirt, mud and other material. **The shift rotation schedule will be seven (7) days working with seven (7) days rest, twelve (12) hours per day.**

DUTIES / RESPONSIBILITIES

- Keeps conveyor belts and areas between rollers, pulleys, and catwalks clear of mud, dirt, rock, and debris
- Assist maintenance in greasing, oiling, and lubrication of all points on the conveyor, crusher, and other equipment
- Assist Crusher Operator in keeping screens clear and dislodging oversized material
- Clean and maintain work area to meet or exceed company's housekeeping standards
- Report any potential operational or safety problem to supervisor
- Ensure strict safety procedures and safety checks are followed
- Perform other duties as assigned

EDUCATION / EXPERIENCE / SKILL

- High school diploma or equivalent
- Previous experience working on a construction site required
- Demonstrated ability to follow written and verbal instructions to complete assigned tasks in an independent and efficient manner
- Ability to work in all weather conditions / environments: rain, wind, heat, muddy, dusty, uneven-rocky terrain
- Must be able to lift 10lbs with each hand and up to 50lbs with both hands
- Self-motivated and able to work with minimal supervision

To apply, please forward a cover letter and resume by 12:00 P.M. on **November 14, 2018** to:
