

## ST. LAWRENCE FLUORSPAR PROJECT

# JOURNEYPERSON MILLWRIGHT

Canada Fluorspar (NL) Inc offers an exciting and challenging opportunity for an individual(s) to join its Plant Maintenance Team as a Millwright. This position is full time permanent and the successful candidate will be expected to work on a 7 days on / 7 days off rotating work schedule, 12-hour shift.

### **Key Job Responsibilities:**

- Install, align, maintain, dismantle machinery, such as pumps, heavy mechanical equipment, conveyor systems, pulleys, mechanical clutches, gear boxes, hydraulics and pneumatic control systems
- Performing repairs, service, maintenance and reconditioning work to the processing plants stationary, mechanical and auxiliary equipment
- Ensuring compliance with all established policies and standard operating procedures and ensuring all tools are maintained and kept in an orderly condition
- Performing a variety of miscellaneous duties and assignments as directed by supervisor

### **Skill & Experience:**

- Possess a valid Interprovincial trade qualification certificate as a Millwright
- Minimum of five (5) years' experience working in a heavy industrial setting
- Must have previous experience working in a construction, mill operation and maintenance environment
- Ability to detect, isolate, and identify irregularities and malfunctions in machinery and equipment
- Must successfully complete all pre-access requirements, including pre-access drug and alcohol screening

---

To apply, please forward a cover letter and resume by 12:00 p.m. on **December 17, 2018** to:
