

## ST. LAWRENCE FLUORSPAR PROJECT

### Project Geologist - Exploration

*Canada Fluorspar (NL) Inc. ("CFI") are seeking a highly motivated and team-oriented individual to join its team as a Project Geologist - Exploration.*

Reporting to the Senior Geologist, this position will work a ten (10) day on / four (4) day off work rotation. This role is both supervisory and technical, with hands-on work required. We are looking for a candidate who brings proven industry experience and is willing and able to work as part of a small work team. ***This position temporary in nature.***

#### DUTIES / RESPONSIBILITIES

- Supervise diamond drilling contractors, core logging geologists and geological technician during CFI's 2019 exploration programs.
- Ensure safety, technical and budgetary KPI's are met or exceeded.
- Co-ordinate contractor activity to ensure safe, efficient and productive operation in an active mining environment.
- Track project statistics and strict budget management while ensuring drilling database quality meets CFI's standards.
- Participate in and/or lead daily safety meetings.
- Additional responsibilities to support CFI's exploration and/or mine operations project as needed.

#### EDUCATION / EXPERIENCE / SKILL

- Possess a post secondary education in geology with minimum 5-years industry experience and be registered with PEGNL. Supervision experience is required.
- Demonstrated ability to follow written and verbal instructions to complete assigned tasks in an independent, safe, highly organized and efficient manner.
- Proficient with computers using various software applications, including MS Office Suite.
- Must be able to lift 10 lbs with each hand and up to 50 lbs with both hands.
- Interested candidates must possess a valid driver's license.
