

ST. LAWRENCE FLUORSPAR PROJECT

CRUSHER OPERATOR

Canada Fluorspar (NL) Inc are currently seeking an experienced crusher operator(s) to operate its primary crusher to maximize the flow of material to the Process Plant. We are looking for candidates who embrace change, adapt fast, make decisions quickly, and possess self-confidence and leadership skills. **The shift rotation schedule will be seven (7) days/nights working with seven (7) days rest, twelve (12) hours per day. This position is temporary in nature.**

DUTIES / RESPONSIBILITIES

- Operating crusher equipment in accordance with standard operating procedures (SOPs)
- Completing pre-start checks on crusher and monitoring crusher operating parameters
- Making recommendations on improvements to material flow to supervisor
- Maintaining the operational integrity of crushing and conveying equipment by conducting regular inspections
- Completing and maintaining logs and reports, ensuring accuracy in reporting of data
- Assisting with maintenance, performing miscellaneous labour activities and operating various auxiliary equipment as and when required

EDUCATION / EXPERIENCE / SKILL

- Must possess a valid trade qualification – Journeyman or Apprentice (Electrician, Pipefitter, Millwright, etc.)
- Five (5) years' experience with fixed and/or mobile crushing equipment considered an asset.
- Must be able to lift 10 lbs with each hand and up to 50 lbs with both hands
- Self-motivated and able to work with minimal supervision
- Interested candidates must possess a valid driver's license

To apply, please forward a cover letter and resume by 5:00 P.M. on **May 3, 2019** to:
