

ST. LAWRENCE FLUORSPAR PROJECT

Crusher Operator III

The Crusher Operator III position is temporary in nature. This is a hands-on, physical role and its primary focus is in cleaning and servicing the rock crusher, the areas around the crusher, screens, conveyors, etc. to minimize downtime due to blockage on equipment by fines and other material.

DUTIES / RESPONSIBILITIES

- Keeps conveyor belts and areas between rollers, pulleys, and catwalks clear of mud, dirt, rock, and debris
- Assist maintenance in greasing, oiling, and lubrication of all points on the conveyor, crusher, and other equipment
- Perform screen clearing and dislodging of oversized material
- Clean and maintain work area to meet or exceed company's housekeeping standards
- Report any potential operational or safety problem to supervisor
- Ensure strict safety procedures and safety checks are followed
- Perform other duties as assigned

EDUCATION / EXPERIENCE / SKILL

- High school diploma or equivalent
- Previous experience working on a construction site required
- Demonstrated ability to follow written and verbal instructions to complete assigned tasks in an independent and efficient manner
- Ability to work in all weather conditions / environments: rain, wind, heat, muddy, dusty, uneven-rocky terrain
- Must be able to lift 10lbs with each hand and up to 50lbs with both hands
- Self-motivated and able to work with minimal supervision
- NL Fall Arrest & Confined Space entry would be an asset
- Must successfully complete all pre-access requirements, including pre-access drug and alcohol screening

To apply, please forward a cover letter and resume by **5:00 P.M. on January 27th, 2020** to:
