

ST. LAWRENCE FLUORSPAR PROJECT

Labourer – Wash Plant

Canada Fluorspar (NL) Inc. (“CFI”) is seeking highly motivated and team-oriented individual(s) to join its team as Labourer(s) – Wash Plant.

Reporting to the Mine Superintendent, this position will work a seven (7) day on / seven (7) day off (alternating days/nights) work rotation, 12 hour days. This is a hands-on, physical role and its primary focus is to ensure efficient operation at an ore washing plant. We are looking for candidates who are hard-working, self-starting and willing and able to work as part of a team. ***This position is temporary in nature.***

DUTIES / RESPONSIBILITIES

- Perform labor duties related to an ore washing plant operation
- Duties include keeping belts clear, water feed control, material quality assessment, ensuring settling pond functions effectively, assisting with material movement and collecting samples as required
- Work with contractor and CFI staff to ensure safe, efficient and productive operation
- Perform regular inspections and possess strong observational skills to ensure effective plant operation
- Participate in daily safety meetings
- Additional responsibilities to support the project as needed

EDUCATION / EXPERIENCE / SKILL

- Demonstrated ability to follow written and verbal instructions to complete assigned tasks in an independent, safe, highly organized and efficient manner
- Must be able to lift 10 lbs with each hand and up to 50 lbs with both hands
- Interested candidates must possess a valid driver's license

To apply, please forward a resume and cover letter by **12:00 P.M.** on **June 16th, 2020** to:

POSTING #2020-023 – LABOURER(S) – WASH PLANT
