

ST. LAWRENCE FLUORSPAR PROJECT

HSS Trainer

We are currently seeking applications from individuals interested in joining our team as an **HSS Trainer**.

As **HSS Trainer**, you will drive the development and implementation of a site wide, comprehensive safety training strategy to our entire operation, including the mine, crushing, mill and other areas.

Key Accountabilities:

- Providing professional delivery of safety related courses including Fall Protection, WHMIS 2015, Safety Orientation, First Aid, Manlift, Confined Spaces, Overhead Crane & Rigging, Supervisory Education, as per NL OHS Acts and Regulations
- Ensuring safety training is delivered as legislated and is compatible with Canada Fluorspar Inc. standards and procedures
- Collecting, verifying, and creating training and evaluation certificates
- Maintaining records and developing reports as required
- Preparing the monthly training calendar
- Other duties such as equipment inspections, attending meetings and other miscellaneous support as required
- Additional duties as required

Skills & Qualifications:

- Certificate or proven experience and training in Health and Safety
- Post-secondary education in safety and/or teaching adult learners considered an asset
- Valid safety courses, or equivalent considered an asset
- First Aid/CPR instructor certification considered an asset
- Excellent communication and interpersonal skills
- Field-related mining and industrial safety experience considered an asset
- Knowledge of safety legislated requirements related to mining activities
- Excellent time management and organizational skills coupled with proven ability to work well in a fast-paced environment
- Valid Class 5 drives licence
- Minimum of 5 years experience for training programs
- Strong presentation and facilitation, along with effective communication and interpersonal skills
- Ability to develop strong professional relationships and to influence peers, managers, and other teams
- Proficiency with MS Office (Word, Excel, PowerPoint, Teams)

To apply, please forward your cover letter and resume by **12:00 PM** on **Monday August 31st, 2020** to: **Posting #2020-032 – HSS TRAINER**, Attn: Human Resources Department Email: careers@canadafluorspar.com Fax: (709) 873-3335

CFI is an equal opportunity employer. We encourage all qualified applicants to apply. We thank all applicants for their interest, however, only those considered for an interview will be contacted.
