

ST. LAWRENCE FLUORSPAR PROJECT

ELECTRICAL COORDINATOR

Canada Fluorspar (NL) Inc has an immediate opening for an **Electrical Coordinator** to join its team. This is a hands-on, physical role and its primary focus will be to provide electrical support site wide for all projects within the scope of Canada Fluorspar's operation. Key areas will be Site Services, Mine Operations, Mine Operations.

Key Job Responsibilities:

- Leading all electrical aspects of any new construction within CFI's Operations
- Develop and execute a maintenance plan for all transmission lines and distribution network
- Develop and execute a power reduction strategy across the site that is in concert with Canada Fluorspar's Sustainable Mining initiative
- Supervise a team of qualified tradesmen/technicians
- Oversee all Preventive Maintenance programs across the site outside the Mill. This includes Blue Beach, Warehouse, Administration, and the Mine.
- Provide support for mill activities when required
- Direct activities of subordinates assigned to all phases of E&I used in the mining process. Set priorities and execute the safe and efficient deployment of personnel and equipment in all E&I activities.
- Interpret specifications, blueprints and work orders to subordinates and assign duties.
- Assist in diagnosing E&I malfunctions in all mining equipment.
- Assist in budget development, cost analysis and contract administration.
- Sourcing Electrical Permits from the Provincial electrical authority

Skill & Experience:

- Journeyman Electrician or Certified Electrical Technician. Ability to challenge for provincial Code 1 electrical designation
- Over 10 years of supervisory experience in an industrial setting
- Demonstrated ability to read/understand wiring and schematic drawings
- Ability to learn from others and adopt best practices while maintaining a strong focus on safety, integrity and reliability
- Developed interpersonal skills as well as good oral and written communication skills
- Excellent decision making, problem solving and priority setting skills
- Good at multi-tasking and ability to perform under tight timelines
- To be successfully considered for this role you must complete all pre-access requirements, including pre-access drug and alcohol screening.

To apply, please forward a cover letter and resume by **5:00 p.m. on September 16th, 2020** to:
