

## ST. LAWRENCE FLUORSPAR PROJECT

# Security Officer

*Canada Fluorspar (NL) Inc. offers an opportunity for an individual to join its team as Security Officer.*

This position is temporary in nature and the duration is undetermined at this time. This is a hands-on role and its primary focus is to support a number of planned security initiatives at Canada Fluorspar (NL) Inc.. We are looking for a candidate who brings industrial security experience and is willing and able to work as part of a small work team. The successful candidate will be expected to work a (7) days on / (7) days off alternating days/nights work rotation, 12 hours per shift.

The Security Officer will be required to maintain site access control of pedestrians and vehicles and deal with emergency situations as required. Key responsibilities will include, but not limited to, monitoring incoming/outgoing traffic and shipments and conducting vehicle searches and safety checks when necessary; administering visitor orientation; completing regular mobile and foot patrols; investigating, documenting and reporting all security related incidents and activities; and ensuring confidentiality of all records and information received.

The ideal candidate will have successfully completed a formal security training program from an accredited institution/organization, along with a minimum of one (1) year relevant experience in Industrial Security. First Aid Training Preferred with Equivalent on-the-job training and experience will be considered. Strong organizational, interpersonal, analytical and communication skills are essential for this position. Must successfully complete all pre-access requirements, including pre-access drug and alcohol screening

Interested candidates must possess a valid driver's license.
